

SANTHOSH M

Frontend Developer | React.js Developer | MERN Stack Developer

Trichy, Tamil Nadu, India | 8220312990 | msanthosha46@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Detail-oriented B.Tech Artificial Intelligence & Data Science student and aspiring Full Stack Developer, with hands-on internship experience designing and building responsive, user-centric web applications using HTML, CSS, JavaScript, and React.js, complemented by working exposure to the MERN stack (MongoDB, Express.js, Node.js). Adept at translating design concepts into clean, maintainable code using modern layout techniques and component-driven architecture. Proficient in Git/GitHub for version control and collaborative workflows, with a strong problem-solving mindset and a proven ability to quickly learn and apply new technologies.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js (Hooks, Context API, React Router), Chart.js, Responsive Web Design

Development: MERN / MEAN Stack

Backend: Node.js, Express.js, MongoDB

Tools: Git, GitHub

INTERNSHIP EXPERIENCE

Full Stack Developer Intern (MERN Stack) — NoviTech R&D Private Limited

March 2026 – June 2026

- Completed a three-month full-stack internship, gaining hands-on exposure to the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Engineered responsive web pages and reusable UI components using HTML, CSS, JavaScript, and React.js.
- Contributed to backend functionality development using Node.js and Express.js.
- Collaborated using Git and GitHub, maintaining version control across the development lifecycle.

Full Stack Development Intern — RISE Internship, Tamizhan Skills

March 2026

- Gained practical exposure to MERN/MEAN stack architecture for full-stack web development.
- Delivered responsive frontend interfaces using HTML, CSS, and JavaScript.

PROJECTS

Responsive Restaurant Website

Technologies: HTML5, CSS3

- Engineered a fully responsive, multi-page restaurant website using semantic HTML and CSS.
- Designed structured, adaptive layouts with CSS Grid and Flexbox, incorporating media queries for cross-device responsiveness.
- Developed a navigation bar along with login and contact forms, maintaining a clean, organized project structure.
- Hand-coded the entire site without frameworks, strengthening core HTML/CSS proficiency and front-end problem-solving skills.

Personal Finance Dashboard

Technologies: React.js, JavaScript, Recharts, Context API, React Router, CSS3, LocalStorage

- Architected a full-featured personal finance dashboard covering financial overview, income management, expense tracking, and budget planning.
- Delivered interactive financial reports and data visualizations using Recharts.
- Implemented state management using React Hooks (useState, useEffect, useContext) and Context API across reusable components.
- Built multi-view navigation with React Router and a responsive, dark-mode-enabled UI with LocalStorage-based data persistence.

Real-Time Stock Market Dashboard + GenAI

Technologies: HTML5, CSS3, JavaScript

- Developed an interactive, responsive real-time stock market dashboard with integrated GenAI capabilities.
- Applied core JavaScript concepts to build dynamic, interactive front-end functionality.
- Strengthened front-end development proficiency through end-to-end design and implementation of a real-world application.

TaskFlow Pro – Smart Task Manager

Technologies: HTML5, CSS3, JavaScript, Chart.js, LocalStorage

- Built a responsive task management application featuring CRUD operations, search, filtering, priorities, categories, and due dates.
- Developed a productivity dashboard with progress tracking, analytics charts, calendar, Pomodoro timer, and achievements.
- Implemented LocalStorage for persistent client-side data management and designed a responsive, professional UI.

EDUCATION

B.Tech — Artificial Intelligence & Data Science, Anna University

2023 – 2027

CERTIFICATIONS

- Three-Month Internship in MERN Stack — NoviTech R&D Private Limited (March 2026 – June 2026)
- 30 Days MasterClass in Full Stack Development — NoviTech R&D Private Limited (March 09, 2026 – April 15, 2026)
- Full Stack Development (MERN/MEAN) — RISE Internship Program, Tamizhan Skills (March 2026)
- Launch Your Job-Winning Portfolio Bootcamp — NoviTech R&D Private Limited (July 11, 2026)
